

SPECTRALOCK[®] 1

A Grout Evolution! Pre-Mixed Grout with Epoxy Performance

Globally Proven Construction Solutions

Never before has a pre-mixed grout offered the superior strength and performance of an epoxy, now found in **SPECTRALOCK® 1**.

This patent pending, professional grade grout offers all the benefits of SPECTRALOCK epoxy grout without the hassle of mixing. **SPECTRALOCK® 1** provides exceptional durability, extreme versatility, and excellent color consistency — even with the most demanding applications.

Locks in color and blocks out stains

Available in all 40 LATICRETE colors, **SPECTRALOCK® 1** has uniform color consistency using SPECTRALOCK sand and is Stainproof[^]. **SPECTRALOCK 1** is professionally formulated to ensure a long-lasting appearance, year after year.

Strongest pre-mixed grout on the market (meets ANSI A118.3)

Tested and evaluated in accordance to ANSI A118.3, **SPECTRALOCK 1** outperforms traditional pre-mixed grouts currently available on the market. With a PSI rating 10X higher than the standard pre-mixed grouts, **SPECTRALOCK 1** is the strongest pre-mixed grout available — resistant to cracking and rated for extra heavy foot traffic for an installation that can last a lifetime.

No mixing required

Provides quick and easy installations, with no stirring or mixing, and easy water clean-up. The resealable package reduces waste and overall material costs, and can be opened and reused for up to 6 months.[†]

No sealing required

Eliminates discoloring, blotches, and shading. Anti-microbial technology[§] inhibits the growth of stain-causing mold and mildew as well.

Low VOC and low odor

Easy and safe to use with no epoxy resins.

Tile installations that last

From showers and pools, to interior and exterior applications, **SPECTRALOCK 1** is the most versatile pre-mixed grout on the market.

Not only can you utilize **SPECTRALOCK 1** for MORE installations than other pre-mixed grouts, you gain the added benefit of increasing your overall productivity.

SPECTRALOCK 1 is backed by a lifetime warranty*. When combined with a complete LATICRETE® installation, **SPECTRALOCK 1** provides the strength and quality expected from a flawless application.

Eliminates mixing, waste and intense cleaning procedures.

Tom Moore — Professional Flooring Contractors

“

Great product!! Easy to use and takes out the guessing game for the installer!

Miguel Romay — Stone Perfection, Inc.
